

Happy New Year!

A Big “Mahalo Nui Loa” to each of you for another incredible LK year! As 2023 forced leaders to flex, grow and expand their leadership scope and style, we applaud the many who chose a forward path that positively impacted their ‘Ohana and island communities. It wasn’t easy and you did it! Learning to lead, making a choice and taking positive action is a life-long journey, and we commend you for your personal commitment. *Mahalo nui.*

Before we let go of 2023, we would like to honor and recognize Kauai’s leaders choosing to make a difference: The Class of 2023 produced LK ‘23 Landlord Summit & Get Learning with LK Ed, TLC Course go-getters, and the resilient Kaua'i County Council Chair Mel Rapozo and Council-members Bernard Carvalho, Felicia Cowden and Addison Bulosan all LK graduates. Thank you all for stepping up for our island.

For more 2023 highlights and alumni testimonials read the [2023 Annual Letter](#).

Is there more to celebrate? Absolutely!

Come celebrate 20 years of Leadership & Leaders on [April 27, 2024](#) at the Kaua‘i Philippine Cultural Center. Doors open at 5:30pm. Program starts at 6:30pm. VIP & Sponsor & Alumni Highlights, Live Auction and more!

2024 marks our 20th anniversary and our 20th cohort to graduate in June. We could not have reached this extraordinary milestone without YOUR generous support over the years! Each graduating class, workshop, seminar and camp were filled with individuals inspired to work together, to ensure our unique island culture and aloha spirit will be here for the next seven generations. These meaningful opportunities for connection, growth and relationship building are only possible with your continued support. *Mahalo ā nui.*

Wishing you a healthy and prosperous 2024 for you and your ‘Ohana!

The LK journey is well underway for this group of outstanding leaders. They have explored the mountains of Kōke‘e, put their hands in the soils of Līhu‘e, ventured through the caves of Kōloa, and listened to some of our island most inspirational leaders. Their community projects focus on Youth Activities on the West Side, Food Security and Financial Literacy. Stay up to date on their progress [here!](#)
